STEP 2

Click on password field and update your password

The screenshot shows a web interface with a top navigation bar containing links like 'MemberPress', 'Caching', 'Beaver Builder', 'Insights', 'WPForms', 'SEO', 'Events', and 'Howdy, Anna!'. A 'review' modal is open at the top, showing 'Enthusiast' status and an 'Expired - Subscribe' link. Below the modal, the 'Account Information' section is visible. It includes links for 'Home', 'Subscriptions', 'Payments', and 'Logout'. The 'New Password' field is highlighted with a red rectangular box. Below it is the 'Confirm New Password' field. A 'Password Strength' indicator shows 'Password must be "Medium" or stronger'. At the bottom of the form, there are two buttons: 'Update Password' (highlighted with a green box) and 'or Cancel'. The footer contains links for 'Privacy Policy', 'Learn more about Art Center programs and activities', 'Board Portal', and 'Tax Id: 94-2382459', along with social media icons for Facebook, Instagram, YouTube, and LinkedIn.

STEP 3

Click on Update Password to Save

This screenshot is identical to the one in Step 2, showing the 'Account Information' page. The 'New Password' and 'Confirm New Password' fields are empty. The 'Update Password' button, which was highlighted with a green box in Step 2, is now highlighted with a red rectangular box, indicating the next step in the process. All other elements, including the top navigation bar, the 'review' modal, and the footer, remain the same.
